

Nearby Vibes – Content Guidelines

These guidelines are designed to help you get the best results on Nearby Vibes.

When you post on Nearby Vibes, you're representing your venue and your brand. Clear, honest, high-quality posts build trust with customers, increase engagement, and drive real foot traffic.

Nearby Vibes is built to showcase genuine venues and real offers happening right now.

Whether you're promoting food, drinks, events, or a combination of these, authentic and well-presented content delivers the best results.

Keep it simple. Keep it genuine. Keep customers coming through your door.

3. What You MUST NOT Post

Misleading or Clickbait Content

Do not:

Post unrealistic or misleading offers to attract attention.

Advertise promotions you do not intend to honour.

Use "too good to be true" pricing purely to generate traffic.

Engage in bait-and-switch advertising.

If identified, your content may be removed and your account suspended or terminated.

Food Misrepresentation

Do not:

Advertise food that is unavailable.

Use images that materially misrepresent the product customers will receive.

Display inaccurate pricing.

Misrepresent portion sizes.

Advertise promotions that cannot be honoured.

Irresponsible Alcohol Promotion

Where alcohol is promoted, content must comply with all applicable liquor licensing and advertising laws in your jurisdiction.

Do not:

Encourage excessive drinking or intoxication.

Show people appearing drunk or out of control.

Promote unsafe or rapid alcohol consumption.

Promote drinking games or irresponsible drinking behaviour.

Inappropriate or Offensive Content

Do not post:

Nudity or sexual content

Violence or threats

Discriminatory or offensive language

Illegal activity

Harassment or abusive behaviour

Minors

Do not:

Depict individuals below the legal drinking age in alcohol-related promotions.

Create alcohol promotions that target or appeal to minors.

Dangerous Behaviour

Do not promote:

Activities likely to cause harm.

Unsafe or reckless conduct.

Dangerous stunts.

Irrelevant Content

Do not post:

Content unrelated to your venue.

Personal posts.

Promotions unrelated to your products or services.

Spam or repetitive promotional content.

4. Content Quality Standards

Every promotion should clearly communicate:

What is being offered.

The price (where applicable).

The promotion period.

Any important conditions or limitations.

Content should be:

Easy to understand at a glance.

Professionally presented.

Relevant to your customers.

High quality and authentic.

Clear, well-presented offers build trust, increase engagement, and bring more customers through your door.

5. Accuracy & Responsibility

You are responsible for:

The accuracy of your posts.

The availability of advertised food, drinks, products, and services.

Honouring promotions as advertised.

Complying with all applicable laws and regulations.

Nearby Vibes does not verify or guarantee the accuracy of venue content.

6. Enforcement

Nearby Vibes reserves the right to:

Review all content.

Remove posts at any time without notice.

Suspend or terminate accounts that repeatedly violate these guidelines.

No compensation will be provided for removed content or account actions.

7. Reporting Content

If you believe content breaches these guidelines, use the Report option available on every post.

Our moderation team will review reported content and take action where appropriate.

8. It's All About the Vibe

Nearby Vibes works because customers trust what they see.

Whether you're promoting great food, signature drinks, live entertainment, or a special event, authentic posts create genuine interest, increase engagement, and bring more people through your door.

Honest promotions build loyal customers, stronger venues, and a better experience for everyone.

Keep it real. Keep it fresh. Keep the vibe going.
